

thank you—

>> FRIENDS KIRITANI SUBARU

DURING ONE OF
HER PRACTICES,
SHE REALLY
SURPRISED
A PERSON WHO
WAS MANAGING
A SHOOTING
STALL.

AT THAT TIME,
KIDO WAS JUST
STARTING TO
BE ABLE TO
CONTROL HER
ABILITY, BUT...

SOME
TIME AGO,
I WENT TO
A CULTURAL
FESTIVAL IN A
HIGH SCHOOL
WITH KIDO.

SHE WAS
CRYING.

IT WASN'T
SOMETHING
SHE DID ON
PURPOSE,
BUT—

YEP.

I'M
RELIEVED.

REMEMBERING
WHAT HAPPENED
THAT TIME MADE
ME WORRY A
LITTLE, BUT...

SHE'S
A GOOD
PERSON.

I'LL NEVER
GET TIRED
OF SEEING
THEM, DON'T
YOU THINK SO?

SHE'S A BIT
OF A WEIRD GUY,
BUT SHE MAKES
KID SEEM
MORE PLEASANT
WHEN BEING
WITH HER.

oh, no...
he, lets go.

eeek?

leader, next!
next, lets ride
on that swing ride!!
(whoops)

.....KANO REALLY
IS DISHONEST.

GUESS
YOU'RE
RIGHT.

Lately, which Kagerou Project song have you been listening to?

>> It's Children Record. I really fell for the sense of unity and coolness of the song and PV. Listening to it makes me motivated, so when I want to lift up my spirit, I listen to it.

02

Which Kagerou Project song has the most impressive PV?

>> It's Children Record. The first time I watched it, I couldn't take my eyes off it. *Meikakushi-Gun* is starting to make its move! I really love that it's conveying such an atmosphere.

03

Which scene or line would you personally choose from Kagerou Days?

>> It's ".....Haruka, I love you." Even though Takane finally has the courage to confess to Haruka, her illness... That was what I thought. It's too painful. I really love Haruka and Takane, so I want them to be happy.

04

Which Kagerou Project character do you admire?

>> It's Sato. If only I can become a person who seems to be able to laugh off even the slightest of worries, is tolerant and gentle. And then I want to run off with Mary.
